Hand Surgery and Nerve Conduction Studies Service in the Kirklees Area. Huddersfield Medical Services Ltd, Oaklands Health Centre, Huddersfield Road, Holmfirth

With the permission of North Kirklees CCG, Locala the Care Quality Commission (CQC), HMS Ltd has transferred its contracts, intellectual property and obligations to Drs Shamsee, Ward & Associates at Oaklands Health Centre. We will continue to deliver our hand surgery and nerve conduction clinics to the same exacting standards achieved by HMS Ltd, which saw 98% of patients recommend the service.

GPs across Kirklees can be confident that they can still refer their patients into our services which will continue to be performed by the same staff at Oaklands Health Centre, Holmfirth, The BMI Hospital in Huddersfield and at Dewsbury Health Centre.

GPs can still refer directly into our pathways using exactly the same options as before.
